Subject: Totnes Neighbourhood Plan

As someone that grew up here - Totnes has been my home town for over 50 years I am writing to voice my request that Atmos Totnes be included in the Neighbourhood Plan for Totnes going forward. I am aware of the history of the Dairy Crest site and the amount of support and effort that has been put into this by the local community. I would request that the council do whatever it can to ensure that Atmos Totnes is ongoing my involved in the development of this site so that it can be a community led, owned and managed asset for us all.

Thank you for including my request in your considerations.

All the best
