10 October 2024

Dear Cameron Whymer,

Ref: Tavistock Neighbourhood Plan 2022-2034

Thank you on behalf of Devon and Cornwall Police for requesting consultation on the Tavistock Neighbourhood Plan 2022-2034. From a designing out crime, fear of crime and anti-social behaviour perspective I do not wish to add anything further to the plan at this time, however, please find my comments below.

It is welcomed to see that within 4.2 High Quality Sustainable Design it states that good design means that a development should create a safe and secure environment. I also fully support that good design must find the balance between factors such as '*access for people, access for vehicle, ecology, biodiversity, leisure and crime & safety*'.

Within section 10 Transport and Connectivity I also support the inclusion of improving paths and connections with more direct and safe routes, as well as including safe walkable routes within objective xxvi.

Please do not hesitate to contact me if I can be of further assistance.

Kind Regards

Kim Burnett

Designing Out Crime Officer – Torbay, South Hams, West Devon & Dartmoor.
