Subject: Comment on Amendment C12 Neighbourhood Plan

Dear Sir or Madam,

I would like to express support for the proposed amendment to C12 (former Dairy Crest site) of the Totnes Neighbourhood Plan Policy. (The Plan supports improvements to the former Dairy Crest site; these develop further the aims of JLP Spatial Policy SP6 and Policy TTV 22) The benefits outlined in the new policy bring huge benefits to the local area and have wide public support. The council should ensure that anybody developing this land stick to the development brief.

Yours sincerely
Alison Taylor
